Rotary

"Service above self"

WHAT DO I DO NEXT?

Get in touch, with a view to having an informal chat with a couple of our Members about what's involved and how you might fit in. We come and see you, or you come and see us - you choose!

WHAT IF I DON'T WANT TO COMMIT TO JOINING ROTARY YET?

One way of gently introducing yourself to Rotary is to sign up as a "Associate member". It's free for 3 months and there's no obligation to join and it's designed for you to come along to see if we are a fit for and to "look us over" before committing to join. Check us out here.

YOUR LOCAL ROTARY

Serving Welshpool since 1947

WHAT IS ROTARY?

Rotary is one of the leading membership and humanitarian service organisations with 1.4 million Members globally. Members of Rotary volunteer their time to make a difference in their local communities and around the world. Welshpool is one of 46,000 Rotary Clubs worldwide.

WHO IS ROTARY FOR?

Locally, nationally and internationally, people aged 18 and over pool their talents, skills, interests and expertise for the common good. In return the power, reach, reputation and funds of Rotary turns our efforts into better lives for people in need.

WHAT TYPE OF PROJECTS DO WE DO?

We run our own projects based on the interests of our members. These include fundraising for other charities, a "community chest" style grant for local people and businesses, and many other ways of supporting communities.

We also collaborate with:

- Local Foodbanks, to collect and deliver food donations
- Other local and international clubs on large projects such as refugees and education
- Charities and other causes, to help fund raise/support them, e.g. marshalling

WHY GET INVOLVED?

There's the buzz that comes from knowing you're helping others. Also, your fellow members become good friends as you realise you are a living part of a body that is respected both locally and worldwide.

WHAT DO I GET OUT OF IT?

- Fun, friendship and social activities
- Meet new people
- Come together to help good causes
- A warm welcome from any of the world's 46,000 Rotary Clubs
- The joy of being a valued member of a respected worldwide organisation
- A place in your community
- A chance to use your skills to help others
- A chance to learn new skills
- The potential backing of Rotary for a project dear to you

WHAT AM I EXPECTED TO DO?

Our meetings comprise of a mix of invited speakers, social events and project planning. Please attend when you can and be part of something big. Membership costs less than the price of a coffee a week!
